

INDIAN CREEK CATTERY

Thank you for choosing one of our Bengal cats to own you! Please feel free to call with any questions or concerns.

WAITING LIST DEPOSIT AGREEMENT

By placing a deposit to be added to our waiting list, you are, in effect, placing a special order. Your deposit helps us to thoughtfully plan our litters so that we can provide the colors and patterns that we have orders for, and also, to insure that we have loving homes waiting for each of our kittens when they are ready to leave the cattery. All of our cats are DNA tested, so we may anticipate the colors and patterns in each litter. We can, in good faith, give you an idea of a time frame that you could expect to have your kitten ready to take home. However, there will always be acts of nature that we cannot anticipate: size of litter, sex of kittens, and viability of kittens born. Similarly, "life happens" and occasionally, clients are unable to accept a new pet into their home as they had planned. Therefore, **deposits are good for 15 months**. Unless Indian Creek is unable to produce the color/pattern that you ordered within 15 months, **deposits are not refundable**.

We try to include you in the excitement of the breeding process by emailing updates as pregnancies are confirmed, when Mama's are delivering, and photos of each litter as it is born! So, be sure that you have provided us with the best email address to contact you. It is your responsibility to watch your emails for news! Indian Creek reserves the right to hold back any breeder/show quality kitten for evaluation before offering that kitten to a pet buyer. All other kittens are posted to our waiting list **first**, before offering them to the general public. Selections are offered in the same order that the deposits are received.

This contract is legally binding on the buyer(s) and seller in this transaction and is non-transferable to other parties. This **contract shall remain in force throughout the life of the kitten**. Signing indicates agreement to this contract. Breach of contract will result in cancellation and repossession of the cat/kitten by the Seller without compensation. Jurisdiction of this contract will be the municipality of the Sellers residence at the time of dispute. Buyer shall be liable to Breeder for any and all legal fees incurred in the enforcement of this contract.
